

Request under Freedom of Information Act 2000 – our ref: FOI 19/20_457

I write in response to your request under the Freedom of Information (FOI) Act.

I confirm that the Trust holds the information you requested. Please see the replies, set out against your questions, below:

Breast Screening – (Asymptomatic)

- *Does the trust have a dedicated breast screening service/unit (Asymptomatic mammograms) – This could be separate from the main x-ray department?*

Yes

- *If so, what is the name of the service?*

The Forrest Centre

- *Is this run in a static unit or on breast screening vans (Or Both)? How many vans does the service run? How many static sites does the service run?*

The Forrest Centre is our static Unit. We have 2 mobile screening vans visiting 6 locations.

- *How many ladies are scanned/screened on average, per day on each van/static unit?*

On average we plan for 54 ladies to be screened per day on our Mobile vans, depending on the estimation for round length.

- *Does the service scan on a 5 day or 7 day week?*

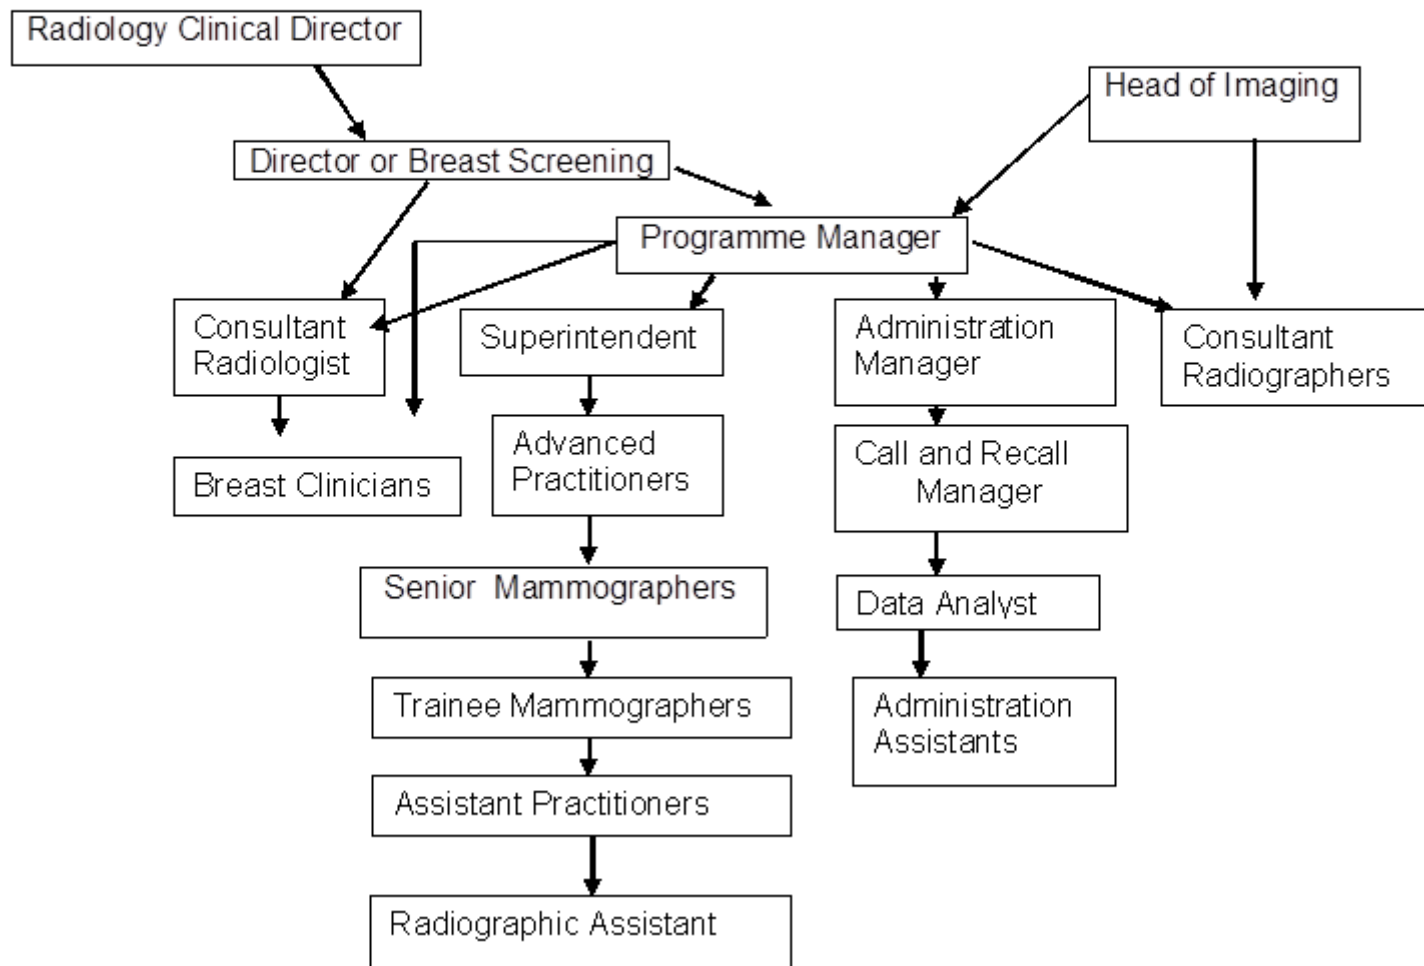

5- 6 days per week

- *Who has the overall responsibility for the breast screening service?*

Director of Breast Screening whom is accountable to PHE and the Trust Board

- *Please provide an organisational chart for the team/department with overall responsibility for the breast screening service*

BREAST SCREENING UNIT'S ORGANISATIONAL CHART

Symptomatic Mammography & Breast Clinics

- ☐ Which department has the responsibility for symptomatic mammograms / Symptomatic Breast Lists/Clinics? Does this come under the breast screening unit or the main radiography department of the trust?

The Directorate of Surgery

- ☐ How many ladies are assessed on average per day in the symptomatic breast clinic?

We have up to 7 2WW Clinics per week which is on average 80 patients per week. We also have 48 additional capacity from an insourcing company

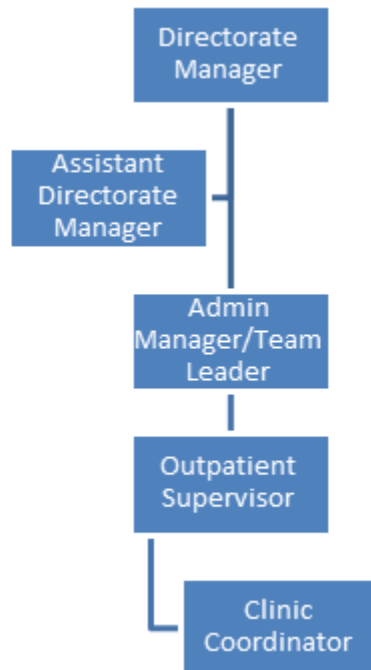

- ☐ Does the service scan on a 5 day or 7 day week?

5 -6 days

- Who has the overall responsibility for the symptomatic breast clinics?

The Divisional Director and Divisional Manager for Surgery

- Please provide an organisational chart for the team/department with overall responsibility for the symptomatic breast clinics

The team responsible for the clinical care of these patients are
