Request under Freedom of Information Act 2000

Request Ref: NGFOI 19/20: 253

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 06/08/2019.

I am pleased to be able to provide you with the following information:

Theme	Question	Answers
Mental health professional in diabetes service	 How many specialist adult diabetes multi-disciplinary teams operate within the Trust? 	 5: General DM including new patient assessments. Antenatal care Foot service Transition- and Young Adult service Pump service
	2. How many people are currently under the care of each specialist adult diabetes multi- disciplinary team within the trust?	To help us to answer this question appropriately, please could you clarify whether you are referring to inpatients or to outpatients?

3.	How many whole time equivalent mental health professionals are employed as part of each specialist adult diabetes multi-disciplinary team, and which part of the service are they aligned to?	None for any of our services. There is a community based, CCG- funded service the Trust can direct patients towards.
	If there are no mental health professionals employed within the service, but there is a collaboration with Improving Access to Psychological Therapies-Long Term Conditions (IAPT-LTC), please give details of this instead.
