

Request under Freedom of Information Act 2000

**Request Ref: NGFOI 18/19: 402**

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 24/10/2018.

I am pleased to be able to provide you with the following information:

- inidus are interested to understand the IT applications that Northampton General Hospital NHS Trust are using to manage the clinical records of patients across all departments and specialities listed below my signature. Our request is limited to systems holding patient clinical records as an electronic health record (EHR), and excludes systems such as Patient Administration Systems (PAS), Portals, and other back office corporate systems that are not used by clinicians to handle patient clinical records..*

*I anticipate that this list of IT applications should be available as part of the Trust's compliance with GDPR.*

*For each system, please list both the system name and the manufacturer or vendor. Where there is an in-house IT application, please provide contact details for the person responsible for this application.*

*To simplify the process we have provided an excel spreadsheet which you can download from [inidus.com/foi.xlsx](http://inidus.com/foi.xlsx) and would ask that you provide the requested information via a completed copy of this spreadsheet.*
