

Request under Freedom of Information Act 2000

Request Ref: NGFOI 18/19: 518 C

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 31/01/19.

I am pleased to be able to provide you with the following information:

Please would you provide information about patient waiting times as follows:- I would be grateful if you would send me the data you have by code for ureteric calculus and hydronephrosis irrespective of size of stone.

We are unable to identify the precise waiting periods as we do not record the date of diagnosis. We record the date the diagnosis was entered onto the system and from this I can confirm on behalf of the Trust that the average waiting time for ureteric calculus and hydronephrosis is currently 120 Days – earliest waiter from 28/06/2018 – most recent waiter is 21/01/2019.
