Request Ref: NGFOI 18/19: 680

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 15/03/19.

I am writing to request qualitative data about the number of known LGBTQ+ individuals in Northampton and how many of these individuals have/had a recorded mental health issue. Additionally, I would like to know what percentage of people with a mental illness in Northamptonshire are LGBTQ+. It would be helpful if you could include age grouping in the data, particularly 16-24 years and 50+ years.

Unfortunately we are unable to provide you with the information requested as:

I can confirm on behalf of the Trust and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) that we do not collate the information that you have requested, as NGH NHS Trust does not provide a Mental Health service. This information may be available from Northamptonshire Healthcare Foundation Trust. Their website is: <https://www.nhft.nhs.uk/>
