

Request under Freedom of Information Act 2000

Request Ref: NGFOI 19/20: 049

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 26/04/2019.

Unfortunately we are unable to provide you with the information requested as:

- *Breakdown of the number of reports of 'phishing'/ scam emails reported to your trust over the last three financial years*
- *Additionally, if possible, could you provide some detail on the nature/categories of the reports? E.g. scam email, request for money etc.*

Section 38 (1) (A): This exemption is applied as it would be likely to endanger the safety of the Trust. In this instance, releasing information about phishing emails affecting the Trust could put the Trust's cyber security at risk which is a risk to the health records of our patients and directly affects their physical health or safety.

- *And any information on financial losses from the public due to these incidents?*

I can confirm on behalf of the Trust and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) that we do not collate the information that you have requested.
