

Request under Freedom of Information Act 2000

Request Ref: NGFOI 19/20: 230

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 26/07/2019.

Does the NHS Trust have prostate cancer referral guidelines? If yes, please provide a copy.

According to the NHS Trust guidelines, at what PSA level should GPs refer patients for suspected prostate cancer?

- *Does this differ depending on any factor, such as age?*
- *Are repeated PSA tests required before a referral?*

When were the NHS Trust prostate cancer referral guidelines last updated?

I can confirm on behalf of the Trust and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) that we do not collate the information that you have requested, because the Trust does not manage the Prostate Cancer referral guidelines. The Trust receives referrals from GPs based on guidelines agreed by the Corby and Nene Clinical Commissioning Groups (CCGs). The CCGs may hold the information you have requested. Their websites are:
