

Request under Freedom of Information Act 2000

Request Ref: NGFOI 17/18: 273

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 29//09/17.

I am writing to you on behalf of my client, to request some information from your NHS Trust, under the Freedom of Information Act, 2000. Under this Act, we would like to request information regarding the use of 'temporary agency nursing staff', and whether the recruitment agencies used by your Trust over the last 12-months, were on one of the main NHS National Nursing & Social Care Framework Agreements, or whether they were 'non-framework agencies'.

As I am sure you are already aware, the Main National Framework Agreements for England include:

- Crown Commercial Service (CCS)
- Health Trust Europe (HTE)
- London Procurement Partnership (LPP)
- NHS (CPP) National Clinical Staffing Framework

We appreciate that some of these Frameworks also cover other types of staffing such as Doctors, Allied Health Professionals and Non-Medical, Non-Clinical staff, **but we are only interested in your spend data directly relating to the use of 'agency nurses & healthcare assistants', supplied as part of your use of 'temporary staffing'**. We would like to request that this information/spend data is supplied to us in the following format (we are happy to accept this data in the form of a spreadsheet, if that makes it easier for you):

Agency Name	Framework Yes/No	Last 12-month spend	% of total spend
<i>Example Nursing & Care</i>	<i>Yes</i>	<i>£150,000</i>	<i>10%</i>
