Request under Freedom of Information Act 2000

Request Ref: NGFOI 17/18: 32

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 17 April 2017 and I am pleased to be able to provide you with a response.

1. *How many operations have been cancelled for non-clinical reasons IN THE 3 DAYS BEFORE a patient was due to be admitted?*
2. *Out of those cancellations, how many were rescheduled within 1 month?*
3. *How many operations have been cancelled for non-clinical reasons ON THE DAY a patient was due to be admitted?*
4. *Out of those cancellations, how many were rescheduled within the statutory time limit – eg 28 days?*

Please provide this data by month for 2014, 2015, 2016 and 2017 - up to and including April 2017.
The following should be included in the figures for 'operations':
All planned or elective operations and day surgery
For 'non-clinical reasons' please include a break-down of the following:
·   Bed-ward not available
·   Staff unavailable
·   Emergency operations taking priority
·   Maintenance needed on equipment
·   Patient unavailable
·   Admin error
Can I have all this broken down year on year please? Ideally I'd not like to be pointed to a report, I'd prefer you just answer the questions above.
