Request under Freedom of Information Act 2000

Request Ref: NGFOI 17/18: 373

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 22/11/17.

Digital Health Intelligence continues to deliver free research access to the NHS and as part of this, we are updating our data held on your organisation for your review.
Can you review the attached spreadsheet of systems we have recorded for your trust and correct any mistakes, omissions or changes?
We are asking that you validate the spreadsheet and give particular priority on systems that we don't record or been replaced with a new system please.

I am pleased to be able to provide you with the following information.

Northampton General Hospital NHS Trust	*We request that you confirm the name of the supplier, system name, installation date and expiration date.* *However, if your trust does not offer a particular service, such as maternity, then please enter "no department offered". Similarly, if you provide the service but do not have a system in place please enter "no system installed".* *If you have any questions at all please contact 0207 785 7203.*
